Kitch'inn Cancellation Policy

When you reserve a room or rooms we agree to turn away all other requests for the room(s) you reserved, guaranteeing to hold them for the day(s) you requested. We want our policy to be fair for our guests, yet prevent loss of income to our B&B by cancellations. We cannot be responsible for travel delays, health issues, inclement weather or early departures.

Due to our limited number of rooms, cancellations affect us greatly, so when situations arise that necessitate a cancellation, we sympathize, however, we adhere to a strict cancellation policy:

- The kitch'inn minions will try to re-rent your room(s).
- Cancel within 24 hours of booking and 14 days before check-in to get a full refund.
- Cancel up to 7 days before check in and get a 50% refund (minus administration fee).
- Cancel within 7 days of your trip and the reservation is non-refundable. However, if we can rent some or all of the room nights then you will be charged a \$100.00 administration fee, along with any unsold room nights from original reservation.
